

REMEMBER...

...we are going to Cornwall where the weather could include...

SUN RAIN WIND COLD

PLEASE THINK ABOUT WHAT CLOTHES / FOOTWEAR YOU WILL NEED TO TAKE!

Please pack appropriate clothing and footwear for walking on sand as well as hard surfaces. Also bring something warm for the evenings as we will be photographing outside at night.

We are travelling by mini bus so you will need to be comfortable for the journey.

- Clothing / shoes / warm coat or jacket / underwear
- Umbrella
- Toiletries (inc. any sanitary products)
- **ANY MEDICATION YOU MIGHT REQUIRE** inc. inhalers etc
- PERSONAL SPENDING MONEY (money for food will be given to you in Cornwall)
- Mobile Phone (& charger) – you will not be able to work independently without a form of contact
- CAMERAS – If you would like to take one of the ‘different’ cameras or a film camera, alongside your own digital camera, please see Miss White
- Pens and pads for research

We are very short on space in the mini bus: please bring a **small soft bag** for your luggage – it is only a 2 night stay!
